

src/FreeRTOS/include
/event_groups.h

```
graph TD; A["src/FreeRTOS/include<br>/event_groups.h"] --> B["timers.h"]; B --> C["task.h"]; C --> D["list.h"];
```

A vertical flowchart illustrating the include chain. It starts with a grey box at the top containing the text 'src/FreeRTOS/include' and '/event_groups.h'. A blue arrow points down to a white box with a black border containing 'timers.h'. Another blue arrow points down to a second white box with a black border containing 'task.h'. A final blue arrow points down to a fourth white box with a black border containing 'list.h'.

timers.h

task.h

list.h
